

W.I.T. QUOTATION CONDITIONS

The following standard conditions apply to all Western Industrial Tooling, Inc. (W.I.T.) quotations:

The prices and terms of W.I.T. quotations are not subject to verbal changes or other agreements unless approved in writing by Seller. All quotations and agreements are contingent upon strikes, accidents, fires, availability of materials and all other causes beyond our control.

Prices are based on costs and conditions existing on date of quotation and are subject to change by Seller before final acceptance.

Typographical and stenographic errors are subject to correction.

Purchaser agrees to accept either overage or shortage not in excess of ten percent to be charged for pro-rata.

Purchaser assumes liability for patent and copyright infringement when goods are made to Purchaser's specifications.

When quotation specifies material to be furnished by the Purchaser, ample allowance must be made for reasonable spoilage and material must be of suitable quality to facilitate efficient production.

Conditions not specifically stated herein shall be governed by established trade customs. Terms inconsistent with those stated herein which may appear on Purchaser's formal order will not be binding on the Seller. Any jigs or solid models developed by W.I.T. shall not be provided to Purchaser.

Quotations are valid for one specification of work submitted. Price is subject to review if changes are made to submitted specifications past the point of Purchaser's acceptance of quotation.
